The ASEAN Cosmetics Association (ACA) represents the national cosmetics associations of ASEAN countries in the engagement of manufacturing, trading and distribution of cosmetics in the ASEAN region. Our current membership is comprised of cosmetics associations in Indonesia, Malaysia, Philippines, Singapore, Thailand and Vietnam with memberships in over 1100 companies. We also have associated members in Japan (JCIA), Korea (KCA), USA (PCPC) and Australia (ACCORD).

ACA supports the ASEAN Harmonised Cosmetics Regulatory Scheme (AHCRS) through the implementation of the ASEAN Cosmetics Directive. ACA assists members, especially in small and medium enterprises, in meeting the directive through training programs that will help companies build stronger foundations, strengthen their manufacturing capabilities and enable them to tap into new business opportunities.

ACA works closely with the ASEAN Cosmetics Committee, and actively participates in reviewing both ingredient lists as well as technical / safety issues, to help support the effective implementation of the ASEAN Cosmetics Directive.
